What do you expect from your employer?

I'm looking for a part time job.

Can you describe yourself (personality)?

I am enthusiastic, passionate and I am optimistic about life and the future. I am very hard working and put my all into any job given, to get it done to the best of my ability whilst encouraging others to do the same. I am confident and like to be creative, and original. I love to meet new people and would say I have an easy going nature. I love to learn new things, and pick things up quickly. I am organized and don't often forget things. I enjoy working with people and being part of a team. I am outgoing, focused, and willing to try anything, which I would have to agree with. I can find the balance between working and having fun.

Why should we choose you?

Give me a chance, and I won't let you down.
