**What do you expect from your employer?**

I expect the chance to express myself, to grow my personality and broaden my horizons.

**Can you describe yourself (personality)?**

The thing I value most about being me is my courage and openness. There are really few things I couldn't do on stage. I really like meeting new people, so I can make friends with everyone. I am also very creative and like to learn. I am glad to have every opportunity to do something new.

**Why should we choose you?**

You should choose me because I was born to be an animator. Last year I made my dream come true and worked in a hotel in Rhodes. It was the best time of my life. I realized how wonderful this job is, how extraordinary it feels to make someone's vacation the best memories in their life. I tried everything in the duties of an animator, so I can do anything you want. I started working in a miniclub, later I did sport activities with teenagers and in the last month of my stay there I began to do fitness activities like yoga, stretching and aquaerobics. In my list of duties also was to prepare bingo, it was really a responsible task to prepare tickets, prizes and count all the money. I was also laundry and costumes responsible. When I came there I couldn't do any of these things, I even didn't know the rules of ping pong, but thanks to my commitment I achieved all my goals. I am just like plasticine, you can shape me whenever you want.
