What do you expect from your employer?

what I do expect from that job offer is to learn a lot with my future colleagues an kids and also have the chance to work and get more professional experience. Also, to have a great and funny experience working with you.

Can you describe yourself (personality)?

I am a kind person, a bit shy but really extroverted. I like to work in team. I am also tolerable with people and I really like to get on well with them. I don't kilike to get angry with my workmates.

Why should we choose you?

First of all, I really like children since I like to devote my life on teaching English and Spanish to children. I really enjoy working with them since they are really cute and funny too.
Secondly, I am looking for a job, and I think that this offer could be a great chance to work with.
Finally, I think with that job, I can get a lot of experiences either with children, and with my workmates.
