**What do you expect from your employer?****Can you describe yourself (personality)?**

I'm really creative and open person. I know a lot of games for children and adult. They will never be bored with me! Additionally i'm intelligence girl, i can work in stressful conditions. I'm not affraid of work on the stage. So if you are looking for a great animator, come to daddy! : )

**Why should we choose you?**

I saw the first animation team in my life when I was 12 and I just felt in love. I knew it's a perfect job for me. From year to year i was getting older and I was dreaming about this job. On my holiday in Egypt in 2012 the animation manager offered me a job as animator but unfortunately i had to back to finish school. Now it's 2014 i'm 18 years old, I finished ' Leisure Time Animation ' course and i'm ready to start my dream job : )
