Additional (in English):

I worked at MC Donald, in the center of Prague, in the street Na Příkopě. Already here, I thus had the opportunity to practice foreign languages. In connection with foreign languages I has continued to participate on videos translations from English into Czech - Khan's school. In addition, I tutor the little fellow Czech, English. And occasionally I practice dogs to pre-defined activities.

What do you expect from your employer?

I do not have any specific requirements, I expect a classic performance contracting parties, according to a predetermined contract.

Can you describe yourself (personality)?

I am a nineteen year old boy who last year successfully completed high school and now I am looking for a job opportunity. I am in the zodiacal sign the bull, so one of my main traits include courage, patience, diligence, self-discipline, artistic sensibility, reliability and last but not least consistency.

Unfortunately I do no sports now actively, but I like cycling and swimming.

I am a person based on the information. I have lots of hobbies, especially information in a variety of fields like psychology, history, astronomy, anthropology, paleontology, geography, general affairs, political science, philosophy, reading, music, nature walks, movies, self-education, animals.

Why should we choose you?

Because I am a social and collective person. Any new situation is a challenge for me.

The opportunity to work abroad is an essential opportunity for me in many ways, for which I would be eternally grateful.

I love adventure, but at the same time I remember of my obligations, in simpler terms, I am a responsible person.
