I love taking parts in each events that are organized in my city. I don't have any experience yet but it doesn't mean that i can't be good at being animator.

What do you expect from your employer?

I expect that my employer will be honest and treat me respectfully. I respect everyone I don't mind about nationality, I love everyone! :)

Can you describe yourself (personality)?

I love traveling a lot! Each free time I spend by visiting new places. Also I love meeting new people and that's the best thing that I could dream about is that in my job I can meet new people (passion + working). I'm positive, helpful, friendly and communicative person. I hate staying at home and doing nothing at all, always I wanna make some fun with friends! :)

Why should we choose you?

You should choose me because I'm made for being an animator. I love dancing and singing. I got no problem with knowing new people they always can rely on me. I always give 100% of me in any situation. I've been traveling a lot to Egypt, Tunisia, Spain or Turkey and I love what animators do and I want to do the same or be even better! :)
