Besides, last year I graduated from the Academy of Music choreography department.

I currently work as language teacher, lector and translator. I'm interested in applying for a job of animator. I have experience in performing, organizing parties and events. I'm also very good with children, I finished a course for pedagogues and I got a certificate for Zumba Instructors.

I expect a full-paid job with a place to stay in. I also expect them to respect me as an employee and know my rights.
